

Song and Dance

Our Easter project is now one of the highlights in the PYT calendar. It is a fantastic way to spend a week of your Easter holiday.

During previous Easter holiday activities we have had 160 young people working with professional performers & directors.

Song and Dance will feature song and dance numbers from popular musical theatre productions. We will spend four days working towards a fully staged production, featuring a live band. This performance will be given to your friends and family.

PYT is renowned for its exciting approach to theatre for young people. So why not join us?
