

Costuming a show is often a daunting task for any wardrobe department, especially when you need 'about 100 costumes' and most of them are for children!

A visit to our costume store often solves the problem immediately and now that we are centrally located in Petersfield town centre, minutes from the mainline railway and the A3, it couldn't be easier.

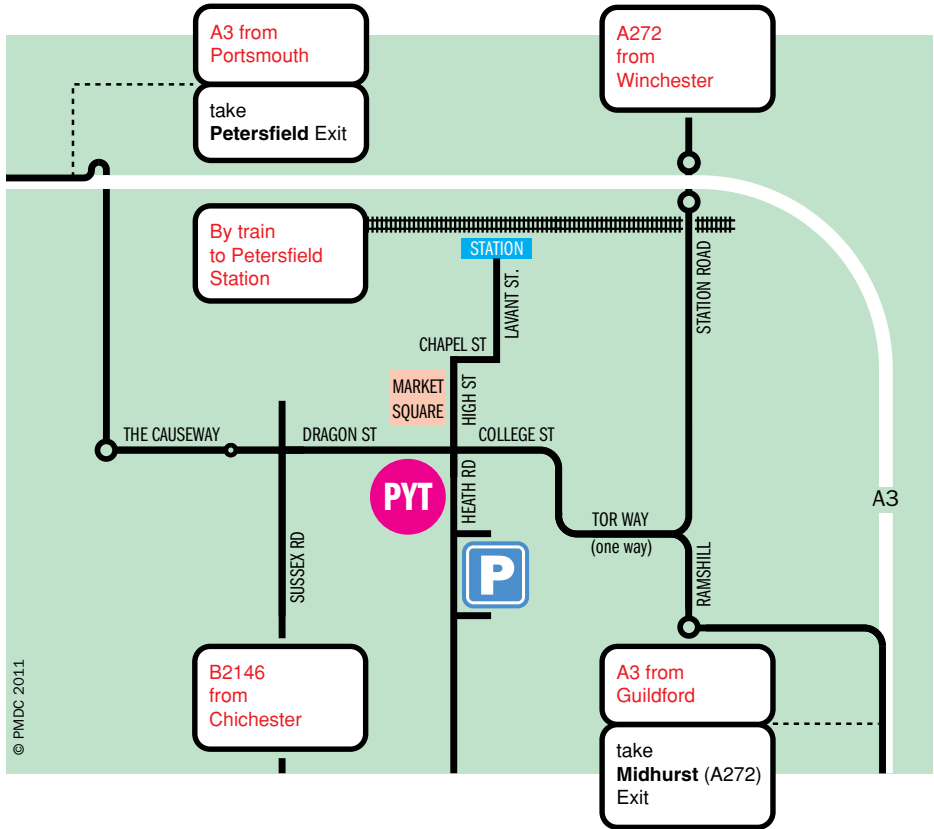

With many years of experience, we can help you find what you need from our wide range of costumes. You may find that you end up completely re-designing your show based on what you find in our store or even planning your next show based on our costumes that are available.

For twenty one years, we have been accumulating a wide range of costumes, which we are able to hire out to schools, colleges and both amateur and professional theatre groups. Our costumes have been designed to fit children and young adults.

Due to the number of children in our performances, we have sets of matching costumes which will give you much more scope when designing your show. We also have a large variety of costumes which can be adapted for many different purposes. These include boys suits from different eras, evening wear, overcoats and costumes for 'down and outs' which have been carefully selected or dyed in different tones of the same colour.

Where to find us...

Opening hours
